

Central Illinois Planetarium Locations

Folks interested in formal and visual presentations of objects and events can visit one of the wonderful Central Illinois planetariums located in Champaign, Peoria and Normal Illinois. These three planetariums all offer public shows.

Check the following websites for program schedules and locations, respectively:

William Staerkel Planetarium = <http://www2.parkland.edu/planetarium/mainFeatures.html>

Lakeview Park Planetarium = <http://www.lakeview-museum.org/planetarium-show-schedules.aspx>

Illinois State University Planetarium = <http://www.phy.ilstu.edu/~trw/planetfiles/public.html>
