

Cancellation and Refund Policy

In ordering food and T-shirts and reserving camping space at the Jim Edgar Park, the Sangamon Astronomical Society (SAS) makes considerable investments in advance of a Star Party that cannot be fully recouped in the event a participant cancels. Nor does SAS have any control over the weather. For the 2024 Star Party, the following policies will apply to refunds in the event a participant cancels a registration or an order for T-shirts or meals.

- 1. Refund requests for payments made for T-shirts will be honored only if received by SAS by September 17, 2024.**
- 2. Refund requests for meals will be honored only if received by SAS on or before September 28, 2024.**
- 3. Refund requests for registration fees will be honored only if received by SAS on or before September 28, 2024. SAS will retain \$20 per application (whether single or family).**
- 4. Refund requests will be honored only if notification is made to SAS at its official Star Party mail address, Illinoisdarksky@gmail.com**
